

Background Screening

Solutions for a Safer World™

With access to timely, accurate, and in-depth background information, you can make key business decisions with confidence.

Today's business environment is forcing organizations to respond to market challenges and opportunities more rapidly than ever before. Human resources, recruiting, and security departments are faced with increasing pressure to do more with less and work around difficult economic trends, all while seeking to fill key openings with high-quality candidates. Protect your business while streamlining the hiring process with background screening, testing, and corporate investigations from Andrews International.

As a founding member of the S2Verify Screening Technology Group, Andrews International has harnessed the intellectual capital responsible for designing some of the largest government, Fortune 500, and nonprofit screening programs in the country. Using our industry knowledge and technological capabilities, we can help you manage background checks and hiring processes with solutions designed to fit your business needs:

- **Employment screening services, domestic and international**
- **Automated drug screening solutions**
- **Volunteer screening services**
- **Contractor screening services**
- **Partner screening services**
- **Applicant tracking solutions**
- **e-Verify I-9 services**
- **Candidate capture**

- **Electronic FCRA and State Consent**
- **Background for consumers**
- **International verifications**
- **Tenant checks**

We focus on automating the background and pre-employment screening process, using advanced technology and integrated electronic workflows in place of tedious, time-consuming manual tasks. You spend less time reviewing useless data, and you get more of the specialized information you need — faster than ever before — to help you quickly identify risk and focus on quality candidates. Our screening and verification processes deliver many advantages:

- **Faster turnaround time**
- **Increased data accuracy**
- **Accelerated hiring**
- **Reduced hiring costs**

In addition to utilizing advanced processing technology, professionals with backgrounds in law enforcement and expertise in criminal justice review every criminal background record included in your results, for greater accuracy and completeness. Our screening partnership with S2Verify combines decades of experience managing the largest employment screening company in the world with the expertise of corporate security and law enforcement veterans, for unmatched quality and efficiency of service.
