## *Solutions for a Safer World™*

*Andrews International brings to its educational institution clients an integrated approach to security that provides a range of services and a proven level of reliability to meet their diverse and specific needs.*

Because educational institutions and their campuses play host to a broad range of faculty, staff, students, notables, and the general public, an extremely professional level of security planning, prevention and protection is a necessity.

Andrews International brings to its educational institution clients an integrated approach to security that provides a range of services and a proven level of reliability to meet their diverse and specific needs. The company's management and officers create a feeling and reality of safety without being oppressively obvious.

Professionals from Andrews International focus on threat assessments, situation analysis, and meticulous planning to identify problems and issues before they arise. Facilities, student and guest protection require the highest level of security services related to access control, ingress and egress monitoring, after-hours protection, patrols, and alarm monitoring.

Among the key services provided by the firm are:

- **Facilities protection**
- **Threat assessments**
- **Responsibility for day-to-day operations of security operations**

- **Campus security and facilities protection**
- **Parking security**
- **Student safety and security education/awareness**
- **Theft prevention and investigation**
- **Emergency/storm/unusual event response**
- **Student escorts and personal protection**

Andrews International is a management-and systems-driven company whose professionals have created and constantly refine an approach that evolves to meet the needs of its clients including universities, colleges, trade schools, and other educational institutions. Company management works closely with clients to creatively customize security programs that focus on advance planning and preparation for all contingencies.

The company's rigorous selection process includes thorough testing, background checks, past performance analysis, personality/integrity profiles, and other standards. A comprehensive training program assures that Andrews International security personnel meet the highest standards of the industry, while personnel retention is much higher than the industry norm due to superior compensation packages and benefits.
